

Welcome

Homecare for Seniors is a home companion care provider committed to deliver the best and affordable personalized service with tender, loving care to enhance the dignity of assisted living for the elderly.

We offer in-home care in the privacy and comforts of your home, in the hospital or in assisted living facilities. We specialize in the care of Seniors who need companionship and independence or recovering from an injury or illness as well as services for the elderly with Alzheimer's, Dementia and other related cases.

We are proud of our open door policy dedicated to answer your concerns and suggestions for the quality of care given. Family members are encouraged to participate in the success of your care plan. If for any reason you are not satisfied with the services of our Care Team and you call within 24 hours from the time the caregiver reports to your home - an immediate replacement shall be made and you will not be charged for services that do not meet your expectations.
